### History Russian Literature Terras Victor

Victor Terras argues eloquently that Russian literature has reflected, defined, and shaped the nation's beliefs and goals, and he sets his survey against a background of social and political This magisterial work, written by one of the world's foremost Slavic scholars, presents a survey of Russian literature from its beginning in the eleventh century to modern times.

### A History of Russian Literature by Victor Terras

Terras divides Russian literature after the revolution into émigré and Soviet writing, and he demonstrates how the latter acted as a propaganda tool of the Communist party. He concludes his survey with the dissident movement that followed Stalin's death, arguing that the movement again made literature a leader in the struggle for freedom of thought, genuine relevance, and communion with Western culture.
