Money And Freedom

Monetary freedom in their minds is forever discredited by the tragic events of the 1930s. The gold standard, whatever its merits in an earlier era, is seen by them as a quaint and outmoded monetary system that has proved it cannot survive the rigors and stresses of a modern economy.

Money and Freedom | Mises Institute

"Money is Freedom" to means having the ability to do whatever you want when you wake up in the morning. Freedom is where work is optional. It also means you can spend your time pursuing your passion and living the life you want to live. So many people spend their lives living without passion.

Money Is Freedom | Millennial Money

Money and Freedom is a clear statement for unregulated money and banking, and the abolition of legal tender laws. It details how politicians use the legal tender system for their own benefit and for the detriment of their fellow men.

We brainstormed ideas. One obvious answer was that, in many ways, money equals freedom. When you have money, you have more options. Or, more precisely, when you have no debt, when you spend less than you earn, then you have more options. But freedom is more than money, of course.

Can money buy freedom? - Get Rich Slowly

In fact, wealth only affected well-being via autonomy: money can't buy happiness, but it affords us greater independence and freedom which does increase our well-being.

More Money Or More Freedom, Which Would You Choose?

When you have that type of steady income, you're financially independent. You have "freedom" money (Goodman's character uses a rougher term for it, of course). What can you do when you have "freedom" money? If someone wants you to do something you don't want to do, you don't have to do it.
