adverse young men who are unable (and unwilling) to navigate the complexities and risks inherent to real-life relationships, school, and employment.

The Demise of Guys: Why Boys Are Struggling and What We ...

Zimbardo has been a Stanford University professor since 1968. His latest book is *The Demise of Guys*, published by TED Books. Be sure to read the following responses to this post by our bloggers:

The Demise of Guys | Psychology Today

It pretends to blame video games and porn equally for the demise of guys, but actually blames lack of father involvement in the lives of young men. This results in a false equality between the damage of porn (which is enormous) and the useful technology of video games.
